United States v. Orlando CARMONA-SERRANO  
(S10) 16 Cr. 387 (JMF)

Dear Judge Furman:

On August 18, 2022 the Court granted the defense an additional thirty (30) days, until today, to file motions. The purpose of the extension was to help facilitate the resolution of a factual issue that could obviate the need to file motions.

This letter is to advise the Court that this issue has indeed been resolved and that, accordingly, we shall not be filing any motions to suppress.

The Court should be aware, and the record should be clear, that this determination has been reached after careful review of the R.16 discovery provided by the government and multiple conversations with both the government and Mr. Carmona-Serrano.

Respectfully submitted,

/s/  
HOWARD LEADER
